Important: Your plan will no longer be offered through the Exchange in your area. Take action by December 15, 2021 or you'll be automatically enrolled in a different Exchange plan. This may change some of your costs and coverage, so review your options carefully.

Thank you for choosing Health First Commercial Plans, Inc. for your health care needs. We're here to help you prepare for Open Enrollment.

Why am I getting this letter?

Beginning January 2022, we won't offer in your area your current health coverage in the Exchange. The last day of your current Exchange coverage is December 31, 2021. Read this letter carefully and review your options. Also, make sure to update your information with the Exchange.

Your new plan for 2022

We found another Exchange plan that may meet your needs. Starting in January 2022, you'll automatically be enrolled in AH GYM CATASTROPHIC HMO 1748 .

Your new premium

- Your 2021 monthly payment is \$178.85.
This reflects a monthly premium of \$178.85 minus \$0.00 of financial help per month.
- **Your new monthly payment (starting in January) is estimated to be: \$185.79.**
This reflects an estimated monthly premium of \$185.79 minus \$0.00. **However, your financial help may be different next year.** You'll see your new monthly payment when you receive your January bill.

Important: This estimated monthly payment is based on current information we have for 2021. It might not account for some or all changes that could impact your monthly payment, like cost changes in your area for next year, or changes to your household income or family size. To find out the actual amount of your monthly payment, update your Exchange application. See below for more information.

Other changes

- You can review more details about your plan at myAHplan.com and in your 2022 Summary of Benefits and Coverage.

If you want to pick another plan, enroll by December 15, 2021 to make sure you have the coverage you want. See below for more information.

What you need to do

1. **Update your Exchange application by December 15.**
Review your Exchange application to make sure the information is still current and correct, and to see if you may qualify for more or less financial help in 2022 than you're getting now. This may result in a lower monthly premium payment or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you can help avoid paying money back when you file your taxes.
2. **Decide if you want to enroll in this plan or choose another one.**
 - **I want to enroll in this plan.**
Update your Exchange application information, and then select **AH GYM CATASTROPHIC HMO 1748** and **36194FL033001101** to enroll.
 - **I want to pick a different plan.**
You can choose a different plan between November 1, 2021 to January 15, 2022. Enroll by December 15, 2021 for coverage to start January 1, 2022.

Here are some ways to look at other plans and enroll:

- Visit [Healthcare.gov](https://www.healthcare.gov) to see other Exchange plans. Consumers who shop can save hundreds of dollars per year and can find a plan that best meets their needs and budget.
- Check with Health First Commercial Plans, Inc. to see what other plans may be available.

Important: You may be able to keep your current coverage, but in 2022 it won't be offered as a Silver plan through the Exchange.

Remember, you won't get financial help to lower your out-of-pocket costs unless you qualify and enroll in a Silver plan through the Exchange.

Note: If you got financial help in 2021 to lower your monthly premium, you'll have to "reconcile" using IRS Form 8962 when you file your federal taxes. This means you'll compare the amount of premium tax credit you received in advance during 2021 with the amount you actually qualify for based on your final 2021 household income and eligibility information. If the amounts are different, this will affect the amount of your refund or taxes owed.
