

ENPC

Emergency Nurse Pediatric Course

2010

Course Description	Date	Day	Time	Location
<p>The Emergency Nurses Association (ENA) Emergency Nursing Pediatric Course (ENPC) is an information-filled, 16-hour course designed to present core-level knowledge and psychomotor skills associated with the care of children from birth through adolescence. The ENPC has been designed by nurses for any nurse who provides pediatric care, to sharpen technical skills and to provide a foundation for future learning.</p> <p>ENPC includes information-filled lectures, interesting demonstrations, and also includes multiple skill stations that encourage participants to integrate their psychomotor abilities into a patient situation in a risk-free environment.</p>	Mar 11 & 12	Thurs/Fri	7:30 am-5:30 pm	Rivercrest CLOSED
	Jul 1 & 2	Thurs/Fri	7:30 am-5:30 pm	Rivercrest Training Center
	Nov 11 & 12	Thurs/Fri	7:30 am-5:30 pm	Rivercrest Training Center
	<p><i>ENA suggest participants register 6 weeks prior to the course in order to allow a sufficient time to read through your course manual. Registration will be accepted up until the week before the course as long as slots are available. Our classes do fill quickly so in order to reserve your place, please register as soon as possible.</i></p>			
Target Audience	ENPC may be officially attended by RNs. It is recommended that the participant have at least six months of clinical nursing in an emergency and/or pediatric care setting. It is assumed that the course participant possesses generic nursing knowledge, has an understanding of emergency care terminology, and has familiarity with standard emergency equipment. This course is intended for RNs but may be audited by other medical personnel.
