

Objective Provide CNA's with updated education to enhance patient care.

Continuing Education Each SLM has been approved for 1 educational hour per topic for CNA's.

How to obtain Self Learning Modules

- Call an Education Coordinator at HF Center for Learning at 434-1969 or 434-7392 or e-mail denise.gangraw@health-first.org . State the assigned module number(s) you would like, your name & facility/department you work in. Limited to **two** SLM's at a time.
- The self learning module(s) and test(s) will be sent thru interoffice mail to you or you can pick the module(s) up at Rivercrest (Health First Center for Learning).
